

### **Remarks**

In the application, claims 2 through 4, 6 through 13, 15 through 17, and 20 through 25 are currently pending. Claims 15 through 17, 20, and 22 through 24 are allowed.

The non-final Office Action dated April 22, 2008, has been carefully considered. Claim 1 is rejected under 35 U.S.C. § 102(e) as anticipated by U.S. Patent Publication 2003/0128676 (“Lee”). Claims 2 through 4, 6 through 13, and 25 are objected to as depending upon a rejected antecedent claim but are otherwise allowable.

### **Amendments to the Claims**

Claim 25 is promoted to independent status by incorporating all of the elements of its antecedent claim 1, and claim 1 is cancelled.

No new matter is introduced by these amendments.

### **The Objections and the § 102(e) Rejection**

The Applicants wish to thank the Examiner for allowing claims 15 through 17, 20, and 22 through 24.

In the interests of expediting prosecution, the objections to claims 2 through 4, 6 through 13, and 25 are removed by promoting claim 25 to independent status. Claim 1 is cancelled rendering its rejection moot.

Therefore, all presently pending claims are allowable over the cited art.

### **Conclusion**

This application is considered to be in good and proper form for allowance, and the Applicants request that the Examiner pass this application on to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of this application, the Examiner is invited to call the Applicants’ representative at the number given below.
